To

The Firms dealing in Chlorination apparatus.

Enquiry No. 2959.

CHLORINATION APPARATUS FOR HASSAN WATER SUPPLY.

GENTLEMEN,

Please be good enough to intimate your best prices for delivery f.o.r., Hassan, Mysore State Railway, and the earliest time of delivery for one chlorinator of the specification given below :—

Chlorination apparatus must have a capacity for satisfactorily chlorinating from 100,000 gallons in 8 hours up to a maximum of 200,000 imperial gallons of water per day of 16 hours. It must be capable of feeding from 1 lb. to 2 lbs. of dry chlorine gas in 16 hours, the gas of course to be solutionised in a solutioniser and then fed to the water.

The machine should be a most up-to-date type fitted with main pressure regulating valve, secondary reducing valve each fitted with pressure gauge, purifier, stop and blow off cocks, etc. Any part of the apparatus must be capable of being separated from its position and examined for cleaning, etc. All internal parts of valves, gauges, etc., should be made of material uneffected by the action of chlorine. It must be fitted with a solution tower for solutionsing the dry gas as it comes out of the Chlorinator before it is fed to the water.

A length of 70 ft. chlorine proof solution hose should also be supplied with the apparatus.

Separate quotation may be given for a pressure feed type of Chlorinator including suitable pump for pumping the solution into a 6 C.I. rising main conveying water at a pressure of 200 ft. head.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions :—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as

and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for Chlorination apparatus for Hassan Water Supply" with the above enquiry number.

This enquiry will be closed on the 22nd August 1938.

Yours faithfully,
T. RANGASWAMI,
Secretary,
Stores Purchase Committee.

BUILDINGS DIVISION, BANGALORE.

Notification dated 6th August 1938.

Notice is hereby given that sealed tenders will be received upto 3 P.M. on 29th August 1938, at the Office of the Executive Engineer, Buildings Division, Bangalore for "Running a Hindu Restaurant in the Tiffin Rooms in the premises of the New Special Magistrate's Court Buildings behind the office of the Assistant Superintendent, Railways and C.I.D. Cenotaph Road, Bangalore" for one year, from 15th September 1938.

2. The period may be extended to three years at the discretion of Government on the basis of satisfaction given by the lease.

3. Tenders should be accompanied by an earnest money of Rs. 70 (Rupees seventy only) in cash and should be superscribed "Tenders for running a Hindu Restaurant in the premises of the New Special Magistrate's Court Buildings, Bangalore."

4. The monthly rate of rent offered should be written both in words and figures and the same shall always be paid strictly in advance before the 8th of each month.

5. No delay in payment of rent will be countenanced. Default in payment will involve the cancellation of contract and forfeiture of earnest money deposit.

6. No alterations shall be effected in the building without obtaining permission of proper authority beforehand. The club and its surroundings shall be kept neat and tidy. The proprietor shall be responsible for all Electrical and other fittings in the building.

7. He will provide his own stock of decent furniture, pay his own light, Electric, Water, Sanitary and Municipal tax, etc.

8. The right of running the club shall not be transferred.

9. The acceptance of tender rests with the Superintending Engineer, Mysore Circle, who will have the power to reject or accept any tender without assigning reasons. His order will be final and legally binding on all tenderers. The accepted tenderer should occupy the building from 15th September 1938.

10. The name of the successful tenderer will be put on the Notice Board in the first week of September 1938 and the earnest money of the unsuccessful tenderers will be returned on application.

11. Needful provision will be made in the Kitchen, for drawing Electric Power. Electric cooking ranges should be installed by the tenderer. There is an ordinary chimney erected for ordinary ovens. The tenderer is to put up necessary platforms and lead the smoke to chimney. The building shall not be used for dwelling purposes.

12. The proprietor will employ properly clothed and trained attendants; at least one head server having experience in the restaurants run on western lines to keep everything clean and tidy will have to be employed. The equipment of furniture, etc., will be on lines approved by the Government.

13. The building is now fetching a rent of Rs. 70 per month.

14. For further particulars the Executive Engineer will be glad to furnish any information that may be required by the intending tenderers.

B. R. GARUDACHAR,
Executive Engineer.

IN THE COURT OF THE FIRST MUNSIFF, MYSORE.

Miscellaneous Case No. 312 of 1937-38.

Kulsum Bi, wife of late Usman Sahib, residing in front of Pottery Shop, Devaraja Mohalla Market, Mysore ... *Petitioner.*
